

28 September 1982

MEMORANDUM FOR:

DDO/IRO

STAT

FROM : J. Kenneth McDonald
Chief, History Staff

SUBJECT : CIA documents relating to the Vietnam Pacification Program, for possible release to the Department of the Army Historian, Dr. Richard A. Hunt

1. In January 1980 this Agency granted the U.S. Army's Center of Military History access to the Lyndon Baines Johnson Library for Dr. Richard A. Hunt to examine CIA-originated documents as part of his research for an official U.S. Army study of the Pacification in Vietnam. On 2 August 1982 we sent you two documents from the LBJ Library for review for release or denial to Dr. Hunt.

2. Would you please also review the attached additional document (No. 134C--one page) to determine whether it can be released for Dr. Hunt's use in this official Army history?

3. Dr. Hunt is familiar with the requirements in CIA's "Access Policy Concerning Presidential Libraries (rev. 12 July 1977)" for CIA review before any released material can be declassified, downgraded, or published.

4. I would be grateful if you would return this document with your determination to the DCI History Staff, 316 Ames Building.

J. Kenneth McDonald
